GREETINGS FROM NSDCA CAMPOREE snooper committee

Welcome back to the Midwest. The entire committee of the 66th annual NSDCA International Camporee welcomes you. We encourage you to extend your stay in the area and visit some of the many things that are available. Your ditty bag has information, take the time to review it and enjoy what Fond du Lac, Wisconsin has to offer.

The Snooper is the daily (Tuesday, Wednesday, and Thursday only) communication/publication where you will find program additions or changes as well as other bits of “news”. If schedule changes are necessary, we will attempt to get them printed in the Snooper. **WE WANT YOUR NEWS SO PLEASE PLACE YOUR “ARTICLES” FOR THE SNOOPER IN THE EMPTY GREEN BOWL (ON THE DANCE REGISTRATION DESK) BEFORE THE CLOSE OF THE DANCE ON TUESDAY AND WEDNESDAY.** Got pictures send to 708rheabill@gmail.com. The Snooper is YOUR publication. We can't have a Snooper without some “scoops”. It's nice to know the chapter number too. We will be sending out the Snooper via email. There will also be some printed copies available.

SCHEDULE ADJUSTMENT/REMINDERS

WIFI: There is free WIFI: Your Welcome bag has a wonderful packet with many pieces of important information. The WIFI was either misprinted or missing . We tried to fix it but, just in case you are not sure, here it is again. FDLCO-Visitor

Sports Signup: Even if you reregistered for sports, PLEASE confirm your participation by adding your name to the signup sheet located on the dance registration desk. If not pre-registered and want to participate you can still sign up.

STATISTICS

We were expecting 36 preregistered units. Five preregistered units had to canceled due to health reasons. John & Dolly Ide won't be here. John has some eye problems and now Dolly has Covid. Ted Hughes is in the hospital, just had bowel surgery. He is now off the ventilator and is breathing on his own. Which is great news!! Sally & Bob Foley are no longer camping. Bob had a major accident and is afraid of falling. We are so sad they won't be joining any longer. Diane Poquette is having breast cancer surgery they are hoping to make it to the NSDC in Milwaukee. We hope to have some units register at the door.

BIRTHDAYS AND ANNIVERSARIES

We know there are birthdays and anniversaries this week. Tell us so we can share with everyone.

Any wonderful or funny experiences that happen while exploring the area. We would love to share those, too.

A BIG THANK YOU TO OUR CALLERS AND CUERS (7 & 4)

Our first potluck on Sunday night!!!
Let the fun begin!!

**HAVE A GREAT DAY -
HAPPY CAMPING -
FANTASTIC DANCING -
ENJOY.**
