Welcome to Fond du Lac, Wisconsin

Thank you all for coming!!! We hope that everyone had a safe journey getting here. There are now 27 units with more coming in today.

Yesterday, there were many that came to the Meet 'n Greet. We hope that you met someone new and reacquainted with old friends. Then, the delicious Pot Luck. Thank you to all who brought a dish to share.

Some things to know:

1. There is plenty of water and ice. Please bring your own cup.
2. There are Fond du Lac bars for your badge. They are \$2 each. Please see Mary Bruun or Tricia.
3. If you didn't pre-register to play games, you can still sign up.
4. Crafts start this AM. See the schedule in your packet.
5. There is another Pot Luck at 5PM today.
6. Parade tonight. Wear your Chapter Colors.

A couple went exploring and found these neat items. Have you seen this cow? She is really close by (within walking distance).
