

Proposed By Law Changes

The proposed By Law Changes along with an explanation for these changes have been posted under Press Releases. Please pull up these changes and carefully compare them to our current By Laws found under the tab About Us. There are both minor and major proposed changes.

There will be a meeting on Friday June 22nd at 3:00pm during the Camporee in Sedalia to discuss and answer questions. This is an important issue before us and involves the entire membership

Ralph and Viv Taylor.
