

Friday Evening Snooper for the 68th NSDCA Camporee

1 message

Well it's Friday evening and the last day of the 68th NSDCA International Camporee. I've run into Internet issues if I try to sent too many photos (we're fairly remote) so I'll be sending along just a few tonight.

Along with the crafts, games, and dancing today the NSDCA Board had a meeting and John and Dolly Ide passed the baton of President to Roy Huddleston and Priscilla Newton.

Stepping into the position of Vice President are John and Katharina Harden.

The Board members are (R to L):
Roy Huddleston and Priscilla Newton - Presidents
John and Katharina Harden - Vice Presidents
Neal and Tricia Chartier - Secretaries
Don and Susan Wolford - Treasurers

John and Dolly were presented a Thank You for their years of service to the NSDCA.

I'll try to send out a final Snooper covering some other items of interest once we get to Waco. See y'all dancing!
